Pool Operator/Owner,

As a reminder, all swimming pools, spas and ancillary facilities are required to be closed to prevent gatherings and the spread of COVID-19. Per the "Safer at Home" Health Officer Order, public and private gatherings remain prohibited until further notice. Although swimming pools and spas are closed, you are required to provide ongoing maintenance of the pool and ensure adequate safety measures remain in place. Your cooperation is appreciated.

When available, the guidelines and dates for swimming pools to be reopen will be posted on the Los Angeles County Public Health website <http://www.publichealth.lacounty.gov/media/Coronavirus/>. Visit the website regularly for updates.

If you have questions about the information provided on the website regarding COVID-19 and swimming pool operations, please contact the Recreational Waters Program at 626-430-5360.

Thank you for doing your part in keeping us all safe.

Los Angeles County Department of Public Health works to protect health, prevent disease, and promote health and well-being.
